

Spirit-Filled Pastor Prophecies: Righteousness Will Govern This Land

One nation under God. This familiar sentence from our nation's Pledge of Allegiance is a decree and a declaration that has served as the very fabric and foundation for the prosperity and preservation of the United States of America since its inception.

But what does this profound statement reveal prophetically?

A Promise of God Extending His Goodness

Many have wondered what the primary reason is for the continued success and prosperity of this nation, despite the fact that the mainstream culture has made a concerted effort to push God out as much as humanly possible. The simple answer is this: The forefathers of the United States decided to dedicate America to God. This has proven true for generations, as no other country has spent more time and money on preaching the gospel across the world.

As a result, God has made it clear through the prophetic words given through this ministry that He has not forsaken this nation. Instead, He has gathered the prayers of His intercessors "within His fists." And His very presence descending upon this land shall cause a great shaking that shall lead to a great awakening, marked by many great cancellations, great removals, great reversals and overturning of laws. All of this to show that God's hand of grace and mercy is *still* upon the United States!

Righteousness Will Govern This Land

In Psalm 125:3, it says, "For the scepter of wickedness shall

not rest on the land of the righteous, so that the righteous will not reach out their hands to do wrong.” We must remember that God has a covenant with those who serve Him faithfully, and His Word does not return void.

It has been prophetically spoken, just as in the beginning days when America was formed out of a cry for rightness and a rebellion against a tyrannical king, that we have entered into a season where there will now be a cry for righteousness and a righteous rebellion against those currently in power, who have tried to legislate and redefine and implement evil in our nation. God has declared that He will deliver America, and He will set and keep this nation free.

The Preservation of a Future Generation

God has said many times through prophecy that this decade would be for you, but also for your children. We are entering into a time where “the youth shall arise, and they will take back this nation.” They will take it back for God and His glory.

The overturning of *Roe v. Wade* was a pivotal moment in the spirit, as Satan has been stripped of a blood right, and we will now begin to see the redemptive plan of the Lord established through the young—for those who never had a chance to have a voice because they were aborted. The Bible says that in the last days, God will pour out His Spirit upon sons and daughters, and these days are now upon us. Rejoice for your children, grandchildren, nieces, nephews, siblings and cousins, and continue to stand faithfully in agreement for this divine outpouring to be released.

As you took time to reflect during this July 4th holiday, we hope you remembered this: Stand firm and fear not, for you shall see the salvation of the Lord. God Bless America.

Check out the prophecies below regarding America and God’s promises for this nation:

Word of the Lord given on November 29, 2020: "...I have not forsaken this nation. And I have not forsaken your prayers. I have gathered your prayers within My fists, and I am about to smack down over your White House. I'm about to smack down on their announcement from the left that does not exist. For I have said and I will speak this to you again..." says the Spirit of God. "As the children of Israel stood that day, and they were gripped with fear, I say to you that are in this earth, *why do you fear?*"

Word of the Lord given on November 29, 2020: "Do you think I would give this land to those who steal, kill, and destroy? Not so. As I spoke to Israel that day, and I spoke to the servant Moses and I said, 'Stand firm, fear not, for you shall see the salvation of your God,' and so you shall. This is *My* event," says the Lord, "and it shall trump every assignment and attempt to stop it." {eoa}
