

# Spirit-Filled Pastor Shares the Hope That Can Be Gleaned From Hillsong Saga

According to its promo material: “The new documentary, *Hillsong: A Megachurch Exposed*, features several ex-members of the church who share harrowing allegations of the trauma, abuse, homophobia and financial and labor exploitation that created a culture of chaos at Hillsong.”

But Pastor Shane Idleman feels that the documentary had an agenda, cherry-picked information and painted all Christians in a bad light. He also shares what we can learn from the fall of Hillsong, Brian Houston and Carl Lentz.

Take time now and listen to Idleman’s thoughts here. {[eo](#)}
