

Spiritual-Warfare Expert: How to Prophecy Your Deliverance

Jesus instructed us to “speak to our mountain” in Mark 11:23 and in Proverbs 18:21a, it says, “Death and life are in the power of the tongue.” What are you speaking into the spiritual atmosphere? Are you speaking negativity and complaining about your problems?

There is power in the words we speak. Instead of speaking *about* our situation, we need to speak *to* our situation. Prophecy to your situation. Speak life, health, abundance and prosperity to your situation—turn your negative into a positive.

The spiritual realm is waiting to react and act on your words. What words are you going to speak out and which spiritual realm are you going to activate? In this episode of the “Prophetic Spiritual Warfare” podcast, host Kathy DeGraw will empower you on how to speak out and prophecy to your situation to create change and positive results. You will receive freedom and learn how to call things that are not happening in your life into existence!

Listen now to be empowered to receive your deliverance and unleash your destiny. {eoa}
