

Stephen E. Strang Announces New Book Pulled Straight From Headlines: 'God and Cancel Culture'

Stephen E. Strang, award-winning journalist and founder of Charisma Media, announces the forthcoming publication of his latest book, *God and Cancel Culture: Stand Strong Before It's Too Late*, releasing on Sept. 7, 2021. Strang is a widely read author and Christian businessman who authored *God and Donald Trump*, among his other books on President Trump.

"Today, 64% of Americans believe cancel culture is a threat to their freedom, according to a Harvard CAPS-Harris poll," Strang says of his new book. "Among Republicans, that figure is even higher, at 80%. While the term 'cancel culture' applies to conservatives who oppose the politically correct crowd, it is part of a bigger effort to cancel Christianity and those who espouse biblical principles. It almost seems this is the beginning of the end—and that Christians are in an unprecedented season of fragmentation, political division and actual separation on many fronts.

"Yet now is not the time for Christians to be divided," Strang continues. "The body of Christ is a big, diverse family, and we must choose to cheer one another on. This book will help Christians realize the seriousness of the battle before us and illuminate the present circumstance for the purpose of doing good—to bring hope.

"Christians must not lose heart," he emphasizes. "We must stand strong and not be intimidated. We must pray—and we must believe God for a great awakening."

✠ *God and Cancel Culture* features compelling interviews with

a cross-section of leaders. In clear, authoritative prose, Strang's new book also does the following:

- Documents what is happening in our country right now.
- Shares how believers can respond.
