

Stephen E. Strang's New Book, 'God and Donald Trump,' Releases Today!

Like him or not, most Americans would agree that President Donald Trump has been a force in American society over the past year and has cemented his place in American history.

Award-winning journalist and author Stephen E. Strang is releasing his new book, *God and Donald Trump*, today. And in it, he highlights the influential evangelical leaders who implored Christians across the nation to educate themselves about what was at stake in the 2016 election. In the new book, Strang also shares his personal interviews and gives a behind-the-scenes perspective on the road to the Trump White House and the billionaire businessman's headline-making time in office thus far.

Former Arkansas Gov. Mike Huckabee and presidential candidate penned the foreword for *God and Donald Trump*.

"In this book, *God and Donald Trump*, Stephen Strang gives us an insightful look back at the events that unfolded during Donald Trump's election," Huckabee wrote. "Over the years, I've gotten to know Steve and the passion he has in his heart to impact our culture through his faith and to see biblical values restored in our society. From Steve's unique vantage point at the forefront of Christian media for the past four decades, he is able to pull back the curtain and show us inside the minds and hearts of Christian leaders and share with us their journey to support the most unlikely GOP candidate in American history."

Other influential leaders have also offered words of praise for *God and Donald Trump*.

- “After Donald Trump stunned the nation by becoming the Republican nominee in the 2016 presidential election, his victory over Hillary Clinton took the world by storm. Steve Strang, an acclaimed journalist and Christian publishing veteran, takes a closer look at how and why this happened. In more than 50 years of ministry, I have observed how people of faith can change elections. Our votes matter. But more importantly now our prayers matter. Mr. Trump heard the voice of Christians during the campaign. Now President Trump must hear the voice of wisdom during these turbulent times. Church leaders and all believers must speak the truth in love while fervently praying for those in authority.” –James Robison, founder and president of Life Outreach International and publisher of The Stream

- “*God and Donald Trump* is not a book about President Trump’s religious or political views. It’s a well-written, much-needed look at the undeniable hand of God working in our nation’s most recent presidential election. It will restore your hope that America can be a great and godly nation once again by placing our hope in the God who hears the prayers of His people and responds. –Dr. Robert Jeffress, First Baptist Church, Dallas

- “In *God and Donald Trump*, Steve Strang pens truth straight from the heart. This must-read book reaches far beyond politics into the redeeming frequencies that America surely needs. Let freedom ring! –Alveda King, evangelist and founder of Alveda King Ministries
