

Stephen Strang Says God is Strong Enough to Stand Against Cancel Culture

Stephen E. Strang, an accomplished journalist and the founder of Charisma Media, has just released his new book, *God and Cancel Culture: Stand Strong Before It's Too Late*. Filled with important and timely revelations for all believers of Jesus Christ, the book also poses intriguing questions: Where is God in the divisive and dangerous "cancel culture" that we're seeing play out across our nation today (and experiencing firsthand, in many cases)? Where is God in all the chaos, the confusion, the damage, and the destruction?

Strang, a widely read author and Christian businessman whose other books include *God and Donald Trump*, never dodges today's tough realities. Speaking candidly and with authority, he tells readers exactly what is going on in the culture—while also laying out biblical truths and practical responses that will reassure many.

Says Strang, "We were born into a battle. Today, that battle is against things like cancel culture and communism, among many other manifestations of darkness. We can't ignore these things; I am convinced that we must confront them lovingly but without backing down or watering down the truth. We can be thankful," he adds, "that voices of freedom are speaking out more and more and joining together for greater truth. All of us have the right, certainly, to speak out clearly and without fear about political and social issues from an openly Christian, biblical point of view."

Strang urges Christians of deep faith to stand their ground: "Believers will only weather and thrive in this sudden—or sudden-feeling—change if they allow God to retool them and

their message for these times. While things may seem hopeless, God has shown us time and again that He is here through all of our trials.”

Strang shares this keen message of faith as well: “We know God’s word is true—all of it, no matter what the haters and would-be cancelers of Christianity say. As I and others have pointed out, there have been many attempts to stamp out Christianity, and these attempts have always failed. They will fail this time, too. Today, many Christians who were previously complacent are more passionate for God than ever. We see the glimmers of a great revival. We must keep praying—and believe God for a great awakening.”

In clear, authoritative prose, Strang’s *God and Cancel Culture* features compelling interviews with an array of prominent leaders and does the following:

- documents what is happening in the country right now;
- shares how believers can respond;
- explains why Christians can look to the future with hope;
- helps readers understand that no matter how bad things seem, God always comes through.

Strang also notes, “Whether or not things change overnight, we can rest assured that God has a plan—and that, indeed, as Scripture tells us, ‘All things work together for the good.’”

God and Cancel Culture will help Christians realize the seriousness of the battle before them and illuminate the present circumstance for the purpose of doing good—to bring hope. It documents what is happening in the country, how believers can respond, and why they can look expectantly to the future. {EOA}

Stephen E. Strang is the best-selling author of “God and Donald Trump.” The founder and CEO of Charisma Media, Strang was cited by Time magazine as one of the 25 most influential Evangelicals in America. He has interviewed four U.S. presidents and has been featured in a recent New York Times article, as well as on Fox News, CNN, MSNBC, CBN, “Dr. James Dobson’s Family Talk,” in , and in many Christian outlets. His Strang Report podcast has been downloaded more than 10 million times.

God and Cancel Culture is published by FrontLine, an imprint of Charisma House, which has published books that challenge, encourage, teach, and equip Christians, including 16 New York Times best-sellers.
