

Stephen Strang: Stronger Men's Conference Sets Men on Fire for the Lord

Stephen Strang has been to a large number of men's conferences in years of ministry for the Lord. But, he says in this video, he was "unprepared for what he saw" at the recent Stronger Men's Conference in Springfield, Missouri, hosted by James River Church.

The event is in its 12th year, and Strang says it has become the largest men's conference in the U.S.

"I was absolutely overwhelmed," he says. "I expected a typical men's conference, but instead, it was just wild. ... There was a lot of excitement, a lot of manly sports, but also powerful preaching and deep conviction. It was a very spiritual event."

With 10,000 to 11,000 men there, Strang says the arena on the campus of Missouri State University was "filled to the rafters."

"These men were on fire," Strang says. "This event is getting bigger and bigger. One of my motivations to do this segment is for men to put it on their calendar for 2024. They are already preparing for it."
