

‘Struck the Series’: A Captivating Journey Through Time Ignites Faith and Courage

Get ready for an extraordinary new series that will transport you on an adventure through time! “Struck the Series” is a captivating show that weaves together the remarkable tale of Noah’s Ark with the real-life exploits of modern-day explorer, John D. Morris.

Starring actor and filmmaker Benjamin Dane, the story of Noah is brought to life in a fresh and exciting way. Using cutting-edge imagery and CGI effects, “Struck the Series” promises to transport viewers back to the pre-flood world of Noah and his legendary Ark.

Witness the challenges Noah faces as he constructs the colossal vessel. From battling doubt and skepticism to enduring the mockery of others, Noah’s unwavering faith shines brightly.

Running parallel to Noah’s narrative, the series introduces us to John D. Morris, an actual explorer who embarked on 13 expeditions to Mount Ararat in search of Noah’s Ark.

Accompanied by his father and a team of researchers, John encountered numerous obstacles, including lightning strikes, dog attacks, avalanches and even theft. Throughout his incredible journey, John’s faith was tested, showcasing his unwavering dedication to uncovering evidence of the Ark’s existence.

With captivating visuals, “Struck the Series” takes audiences on a voyage of biblical exploration, highlighting the marvels

of God's creation and the significance of faith for young believers.

By intertwining the stories of Noah and John D. Morris, the series underscores the courage and steadfastness required to heed God's call.

Following the success of "The Chosen," this project aims to assemble a community of dedicated viewers through crowdfunding and interactive participation.

Prepare to embark on an epic journey through time with "Struck the Series." Through state-of-the-art visuals and captivating storytelling, this series seeks to ignite your faith and showcase the wonders of God's creation.
