

Stunning Miracle of Blindness Healed Inspires Evangelism

When a young girl suffered a vicious acid attack, causing her to lose her sight, all hope seemed lost. Larry Tomczak's friend and world-famous eye doctor, Dr. Ming Wang, of *God's Not Dead* film fame, applied his faith and skills alongside supernatural intervention to see young Maria's sight restored. Watch the miracle captured on film. Engage with the rest of the video to be equipped in reaching those "spiritually blind" (2 Cor. 4:4) with the transformative message of the gospel. Learn to share your faith confidently with this fourth segment from the free YouTube series, "Loving Lifestyle Evangelism," helping multitudes come out of darkness to light.
