

Supernatural Shift: Time to Look Back, Look Forward as 'Golden Age of America' Begins

"Remember not the former things, nor consider the things of old. Behold, I am doing a new thing; now it springs forth, do you not perceive it? I will make a way in the wilderness and rivers in the desert" (Isa. 43:18–19, ESV).

Fifty years ago, a struggling Sly Stallone watched a boxing match, wrote a script (in three days), then made a \$1 million movie, "Rocky," which grossed \$235 million worldwide. He later made five more movies featuring the same character. I watched the original film again to be inspired in this historic moment where we can follow the example of the prizefighter, who would look back briefly, then go forward purposefully.

This is what God intends for us in this supernatural reset to see restoration of America aligning with the Founding Fathers' vision and our Creator's values. "The Golden Age of America begins right now" is how our president put it in the opening sentence of his inaugural message to America.

Our children and our grandchildren will be rescued from the insidious progressive ideology that brought the decline of our nation. Imagine if we had just endured an inauguration of President Kamala Harris, a leftist San Francisco radical, who was worse than "no moral code" Biden—the second-worst president in U.S. history.

The Scriptures say, “do not dwell on [linger in] the past. See, I am doing a new thing!” (Isa. 43:18b-19a, NIV). He is indeed doing a “new thing!” Learn lessons but get back in the ring to embrace the opportunities God’s giving you. Satanic forces are not going to exit the arena because their goal is to diminish Christian influence and promote evil.
