

T.D. Jakes: We've Become Prostitutes to Politics

Bishop T.D. Jakes says many believers have become prostitutes to politics.

"Isn't the problem the church finds, is that we have to hook our wagon to one political side or the other, when the truth of the matter is, we don't totally agree with either side," Jakes said at a panel that included Paula White.

Rather than focusing on Christ, many believers have chosen to focus on the political spectrum, and this constitutes prostitution.
