

The 3-Point Solidarity Pledge Every Christian Needs to Take Today

The prevailing narrative that is continually pushed in America is that cops across the country are harassing and assaulting Blacks with impunity. Therefore, it's time to "Defund the Police!"

Yet a Gallup Poll (7/6/20) asked Black Americans, "Would you rather the police spend more or less time in your area?" A total of 81% responded: "More/same amount."

Why are we being misled?

Facebook tells us they're a platform for connecting and communicating in a fair-minded and friendly way. Yet of the 20 members of their oversight board to determine what's fair and factual, 18 have ties to anti-American George Soros or his organizations.

Are they attempting to deceive us?

In these tumultuous times, each of us must be extremely discerning. We need a biblically informed worldview so we're not fooled or divided from our Christian brethren and authentic Christianity.

Our forefathers pledged their lives to each other and to principles that were explicitly rooted in God. Nehemiah and Ezra led the people of God to do likewise so they would not waver but stand (not kneel) united amidst opposition.

Watch this brief 3-minute video with Larry Tomczak and align with God-fearing, patriotic Americans in this three-point solidarity pledge.
