

# The Best News in Decades to Stop Abortion and Save Babies

The recent SCOTUS ruling on abortion was discouraging for all of us praying and passionate to save the over 1 million unborn babies who lose their lives yearly through abortion in America. We desperately need encouragement and some good news!

Watch this compelling *Here's the Deal* video featuring Janet Porter, one of the premier pro-life leaders at the forefront of what's really happening. She shares with us a "secret weapon" in the quest to uphold the sanctity of life and align with authentic social justice.

"If the heartbeat is detected, the baby must be protected." This reality motivates pro-lifers in over 25 states, and the progress has been incredible!
