

The Case for a Post-Tribulation Rapture

Michael Snyder, author of the *Economic Collapse Blog* and *The Rapture Verdict* says believers must endure all seven years of the Great Tribulation prophesied in Revelation.

"I'm telling you right now this book (*The Rapture Verdict*) has been shaking me like none other," *Revelation in The News* host Zack Drew says. " ... It needs to be in every person's home. You wrote this book that details why, it's been changing my own views, because I didn't believe this, I believed something different."

Christians will not "magically escape" the chilling prophecies of the end times, Snyder says.
