The Christmas Clause tells the story of Sophie Kelly (Lea Thompson: *Back to the Future*, TV's *Caroline in the City*), a top-rated lawyer with three kids and a husband (Andrew Airlie: *Fantastic Four*) who take up all of her time.

After she expresses her wish for a different life to a shopping mall Santa, Sophie discovers the grass is not always greener as a single, successful lawyer with her own firm and that she must race against time to find the true meaning of family and love before Christmas.
