

The First Step to Receiving God's Healing Power

You're a Christian, you're sick and you need healing. You hear amazing healing testimonies about others, but struggle to receive it for yourself. Here is the most important step to take to be healed.

1. Understand your covenant rights as a Christian to be healed.

God says through His prophet Hosea, "My People are destroyed for a lack of knowledge" (4:6). He goes on to say that His people even reject it. God's people suffer in vain because we are malnourished spiritually concerning our covenant rights to be healed by the redemptive blood of Jesus Christ.

I met a woman in Chicago, Illinois, who suffered needlessly for 25 years from a tethered spine. She was taught that healing was not for today and that it was His will for her to suffer. When she first walked into the healing service she was very weak and frail, and trembled from the tremendous pain. But when she heard the biblical truth that Jesus shed His blood for her healing, she came forward to receive a healing touch and was instantly set free from 25 years of torturous pain and suffering.

Like this precious woman of God, unless you receive the revelation that supernatural healing is part of the blood covenant you have with the Father, you will suffer, but when you hear the truth, you will be set free to believe and receive.

The revelation that she heard and acted upon came from Isaiah 53:4-5 from the Amplified Version of the Bible, "Surely He has borne our griefs (sicknesses, weaknesses, and distresses) and carried our sorrows and pains [of punishment], yet we

[ignorantly] considered Him stricken, smitten, and afflicted by God [as if with leprosy]. But He was wounded for our transgressions, He was bruised for our guilt and iniquities; the chastisement [needful to obtain] peace and well-being for us was upon Him, and with the stripes [that wounded] Him we are healed and made whole.”

Jesus paid the price for His people, and this includes you to be healed with His precious blood.
