

The Good News: Roe v. Wade Will Be Overturned. The Bad News: The Evil Way We Found Out

A daughter secretly married a young man and brought him home to dinner. Everyone at the table tried to act jovial and accepting – but no one could miss the scowl on her father's face.

He turned to the young man, now his stealth-son-in-law, and asked him, "What is your favorite meal?" The young man described a juicy steak with a baked potato. The father then said, "So, imagine someone makes this fabulous steak and a sumptuous baked potato and brings it to you. Your favorite meal. A meal you are so looking forward to. Only they don't bring it out on a plate. They bring it to you on a dirty garbage can lid."

The father goes on to say, "You see, ever since my daughter was born, her mother and I have looked forward to her wedding. We wanted to bless the young man she chose. We wanted to celebrate. But you brought us one of our most treasured events on a dirty garbage can lid."

The breaking news today is that the monstrous curse of *Roe v. Wade* is set to be overturned. It is something that the righteous have been treasuring. The pro-life movement has fought long, hard and valiantly to rid the nation of this cancer. But we got the news in a terrible way. It was leaked to the press.

There is no more sacred duty for an officer of the Supreme Court than to keep the secret of what is being deliberated behind closed doors. Samuel Alito's notes show, most

certainly, that *Roe v. Wade* will soon be overturned.

But someone on a new level of evil and in a desperate attempt to destroy the Court's decision deliberately leaked Alito's notes.

So instead of a glorious declaration by the highest Court, the media delivered the best news we have heard in years on a dirty garbage can lid.

My outrage knows no bounds. This an abhorrent, abominable, atrocious, flagrant, hateful, hideous and horrendous act. But it is business as usual for leftist Democrats. They are burning down the Court in order to get their way. Whatever it takes to win. No matter who or what they destroy in the process.

Like good communists, they will lie, cheat and terrorize when it looks like their side is going to lose. What is truly hilarious is that here we have an actual case of insurrection. It did not take place on January 6 – it took place today! And Democrats and leftists will hail this venomous traitor as a hero.

There are three reasons that this is a crime of the highest order.

1. They did it to intimidate the Justices into changing their votes. The Left, instead of graciously accepting defeat, sabotaged the system. They do not care what happens to the legal system. They must get their way. But I believe this will backfire. If anything, it will cause the Justices to double down on their convictions.

2. Leftists leaked these notes in order to give the leftist thugs the signal to plan and incite riots across America. They had a mole on the Court, a one-person sleeper cell who detonated his bomb on cue. Once again, they will use it to create their go-to tactic of burning buildings, looting and

blocking roads. They are hoping for another summer of rage. Already the mobs are gathering in front of the Supreme Court.

3. They did it to stir up rage votes for the midterm elections. Their base is sleepy from lack of oxygen because of the masks they insist on wearing. They will use this to wake them up. They mean to distract Left-leaning voters from the colossal failures of Biden and the misery that they heaped on us all.

We have prayed too fervently and we have worked too hard to let up now. Tonight, we will have faith and bombard heaven. We will declare that the decision will stand. We will finally overturn the vilest law that has ever seen the light of day. Join me now in calling on the name of the Lord! {eo}

Mario Murillo rose from poverty in the Mission District of San Francisco. After being revolutionized by Christ, he felt a call to the University of California at Berkeley. His international ministry was launched after a four-day conference in San Jose, California, extended for six months with a total attendance of nearly 250,000 people. Since then, Mario's voice has been heard by millions around the world, bringing a message that zeroes in on the hurts of society. He presents Christ clearly and intelligently, and openly declares the power of Jesus to totally transform a life. His simple declaration: Come and see. Christ has the power to end addiction, racism, violence and disease.
