

The Great Reverse

 INO Records/Provident-Integrity | \$

The Nomad Series, which also includes the film *Sara Groves: Just Showed Up for My Own Life*, now offers this documentary about nine people who travel to West Africa to put their faith into action.

In *The Great Reverse*, we see how they respond as they are confronted with the challenges of traveling thousands of miles away from home: culture shock, lost luggage, super-spicy food.

They set out to make a positive difference with all they encounter, but along the way they realize they receive much more in return as they gain new insights about life, loss and love.

The soundtrack features music from MercyMe, Seabird, Sara Groves, Jars of Clay and others. Visit [here](#) to view sample clips from the film. Click [here](#) to purchase this DVD.
