

The Greatest Treasure

 The Cheesy Adventures of Captain Mac-A-Roni | Daystar Network

Parents now have another option for family-friendly entertainment. Daystar's new animated adventure series with Captain Mac-A-Roni combines biblical values with humor and adventure.

In imaginary Liberty Island, Sandy, Mikey and Eddie have discovered that Pirate Grime has stolen the kingdom's greatest treasure. Everyone is worried that the island will never be the same. The trio calls on Captain Mac-A-Roni and his cream pie-throwing sidekick chicken, Cheese, for help.

The group sets out to track down the villain and recover the treasure, but it looks like Pirate Grime might win. Throughout the journey, Captain Mac-A-Roni teaches the children what to do when facing adversity.
