The Harbingers of Things to Come looks at certain symbols and

images that reveal the prophetic visions and warnings Cahn has deciphered by studying ancient texts, while also addressing riveting themes such as whether or not COVID-19, 9/11, the financial collapse and other shakings are all part of an ancient mystery. Are the shakings that have come upon the world a sign or a warning of things to come? Is that ancient mystery determining the events of our time, and does it reveal the secrets of the future?

"We are witnessing America rapidly accelerating away from God," Cahn says. "The messages of *The Harbinger* are prophetic revelations and warnings for God's people to know what's happening, where we are going and where we are.

"In the Bible, God gives images, symbols, visions, glimpses of things yet to come, prophetic foreshadows," he explains. "The difference here is that in this case, they were actually captured on film. In ancient times, it was the watchmen who saw the first glimpses of coming events, coming danger, approaching judgment. Those glimpses were often first seen from the walls of the city gate. The gate of America is New York City—and most specifically the Statue of Liberty. And that's where the prophetic images appeared."

"These are prophetic images that revealed what was going to happen to America before it happened—events that were linked to the biblical template of national judgment and that are still affecting us to this day," Cahn continues.

The film also prepares audiences for Cahn's most explosive book release yet: *The Return of the Gods*. Cahn is known for revealing the stunning mysteries, many from ancient times, that lie behind and are playing out in the events of our times. But with *The Return of the Gods*, Cahn takes this to an entirely new level and dimension. Due for release on Sept. 6, 2022, *The Return of the Gods* takes readers on a journey from an ancient parable to the ancient inscriptions in Sumer, Assyria and Babylonia that become the puzzle pieces behind

what is taking place in our world to this day, specifically in America.

With the release of *The Harbinger II: The Return* in September 2020, multitudes of new fans have embraced Jonathan Cahn's compelling messages and prophecies, in addition to the millions that are already heeding the warnings and prophecies outlined in his previous books over the past decade.

The author has made multiple media appearances, including on CBN's *700 Club*, TBN's *Praise* and *Family Talk* with Dr. James Dobson.

Cahn's first book, *The Harbinger*, became an instant *New York Times* bestseller when it was published in 2012. His next four books were also *New York Times* bestsellers: *The Mystery of the Shemitah*, *The Book of Mysteries*, *The Paradigm* and *The Oracle*. Along with Billy Graham, Cahn was named one of the top 40 spiritual leaders of the past 40 years who has radically impacted the world.

Called the prophetic voice of this generation, Cahn has spoken on Capitol Hill, at the United Nations and to millions around the world. Cahn is known for opening the deep mysteries of Scripture and bringing forth messages of prophetic import. He leads Hope of the World ministry, an international outreach of teaching, evangelism and compassion projects for the world's neediest. He also leads the Jerusalem Center/Beth Israel, a worship center made up of Jews, Gentiles and people of all backgrounds, outside New York City in Wayne, New Jersey. His ministry can be contacted at and on his Facebook.

Charisma Media's book division, Frontline, has published Cahn's books over the past 10 years and partnered with Fathom Events to release Cahn's new documentary into theaters. For more information about the documentary, *The Harbingers of Things to Come*, visit . {eo}
