Perry Stone (Charisma House)

Best-selling author Perry Stone once again brings new insight to an often-overlooked topic with his latest release, *The Judas Goat*. In this captivating page-turner, the Bible teacher identifies the characteristics of so-called friends who would betray you in an instant.

Through the example of a Judas goat—an actual term for a goat that lives among sheep to grow their trust in following him to the slaughterhouse at the appropriate time—Perry unlocks a spiritual revelation that unveils the trap of false friendships, betrayal and unforgiveness.

Using additional comparisons to the first churches of the Bible, Stone exposes the “old goats” that wreak havoc in today’s church.
