

The Mockingbird Parables

✖ The Mockingbird Parables

Matt Litton

Thomas Nelson

Matt Litton parallels *To Kill a Mockingbird* and Christianity. Taking readers through Harper Lee's 1960 masterpiece, he introduces each character from a perspective of faith. *The Mockingbird Parables* encourages readers to ask: Do I love my neighbors? Am I creating community? What influence am I having on society—negative or positive? Perhaps Lee's beloved novel is more relevant today than ever before.
