

The Prophetic Command We Should Follow in 2020

Why should we start from rest in 2020? Beyond just sounding like a good idea, the Scriptures actually command us to do so. (See Heb. 4:11.)

Bob Jones actually prophesied that the 2020s would be marked by God's rest and give way to a people who are at rest. This amazing prophetic word is going to take intentionality to see it come to pass. We must partner with this prophetic utterance this year in order to lay hold of the promises contained therein. Here is the amazing word from Jones:

"The 2020s will reveal the rest of God. To where the body will come into a place of resting in God, where God will rest in us. And in this rest, the enemy will not be able to do warfare because we are resting in God and He is resting in us, and He will accomplish the things He means to do in a people that is at rest. He has always wanted a people that will come into His rest. There never has been one, but rest is on the way."

I don't know about you, but this I think the most exciting time to be alive. It's a time where God is beckoning us to believe Him in an even more profound way. He is beckoning us to embrace the faith-rest life. This is a life marked by peace that passes understanding, the wisdom of the ages and intimacy that bears miraculous fruit.

I want to encourage you, don't miss the opportunity to enter His rest as you enter 2020. May God give you the proper tools and revelatory knowledge to enter His rest today!

I invite you to tune in to the *Faith-Rest Life* podcast every week to be equipped in your union with Christ and see His promise of rest come to pass.
