

The Reluctant Prophet

Nancy Rue | David C. Cook

At

42, Allison Chamberlin is trying to figure out what she's called to do.

Even though she's been a faithful believer for the last seven years,

she certainly doesn't see herself as a "prophet." Yet that's exactly

what God is calling her to be. One day she senses Him telling her to buy

a motorcycle and go wherever it takes her. She knows she is called to

minister in one of society's darkest areas and to challenge her own

church to go outside its walls and reach those in need. Where else will

her faith journey lead?
