

The Secret of the Ancient Paradigm Will Shake America's Political Establishment

"The establishment" has been a much-talked-about political party of its own since the hard-hitting campaign and historic election of President Donald Trump, who continues to promise to "drain the swamp" and turn the political establishment on its head.

The soon-to-be-released book from *New York Times* best-selling author Jonathan Cahn makes a similar promise—that the secrets revealed inside *The Paradigm: The Ancient Blueprint That Holds the Mystery of Our Times* () will shake America's political establishment and all who read the new book.

"*The Paradigm* removes the veil behind the events, the leaders, the elections, the crises, the news stories—the world of the last quarter-century," Cahn says. "What will be revealed in *The Paradigm* is so shocking that it even speaks of events before they happen. *The Paradigm* names names and gives specific details, revealing a stunning secret behind the actions of the governments of recent years—involving the highest realms of American government and the events that have touched the lives of every American—and most of the world."

The Paradigm, set for release on Sept. 19, promises to rock the political world, containing detailed disclosures and precise revelations. The book will undoubtedly anger some but will amaze and stun many others with its discoveries.

Cahn, who caused a stir throughout America and the globe with the release of his instant *New York Times* best-seller *The Harbinger*, which sold over 2 million copies, followed that earth-shattering work with *The Mystery of the Shemitah* and *The Book of Mysteries*, also *New York Times* best-sellers. In fact,

the mysteries of the immensely popular *The Harbinger* continue and are intertwined with the mysteries of *The Paradigm*.

The Paradigm is published by Frontline, an imprint of Charisma House.
