

# The Shemitah, Financial Collapse, and You

Most of the worst terrorist attacks and financial collapses in American history are tied to the Shemitah. But the pinpoint connections between all of these events are incredible. In the video below, Jonathan Cahn—Messianic rabbi and *New York Times* best-selling author of the runaway best-sellers *The Harbinger* and *The Mystery of the Shemitah*—details the amazing line of events from the past century tied to this phenomenon.

As we enter the next Shemitah year, discover for yourself how supernaturally precise this centuries-long prophetic pattern is, and what it could mean for your family, for America, and for the world.
