

The Shemitah Has Ended ... What Is God Doing Now?

After the 2015 end of the Shemitah came and went without excessive disaster, some are wondering if God heard our cries for repentance and revival and withheld His judgment.

But for author John Shorey, the lack of judgment isn't a removal of God's wrath but a delay.

"God, in His grace, is giving us more time," Shorey says.

And there are two reasons why. Watch the video to see what they are.
