

The Twelve Words of Christmas

 Louie Giglio |
sixstepsrecords

Louie Giglio shares a special message about Christmas. He reminds us that God is with us and that no one, not one person, is beyond His reach—His love knows no bounds, has no limitations. Giglio, founder of the Passion Movement, also reassures us that God is continually at work in our lives. He will keep His promise to bring us through any circumstance.

This teaching, recorded live at Chris Tomlin's 2009 Glory in the Highest tour, is appropriate for individual or group study. Participants will be inspired to realign their hearts this season, which in turn will help them start off the new year with renewed focus, passion and perspective.
