

‘This Moment Sought You’: Mike Huckabee Encourages Trump with Powerful Message

As airstrikes continue between Israel and Iran, a powerful message of faith, loyalty and resolve was shared by President Donald Trump on Truth Social, one that stirred the hearts of many Americans and supporters of Israel alike.

The message came from U.S. Ambassador to Israel Mike Huckabee, who is currently serving on the frontlines of a deepening and dangerous regional conflict. In his direct and heartfelt text to the President, Huckabee framed the current moment in both historical and spiritual terms.

“Mr President, God spared you in Butler, PA to be the most consequential President in a century—maybe ever,” Huckabee wrote, referencing the recent assassination attempt on Trump. “The decisions on your shoulders I would not want to be made by anyone else.”

In a time of global upheaval and prophetic arrangement,

Huckabee pointed to the necessity of God's guidance over political strategy. "You have many voices speaking to you Sir, but there is only ONE voice that matters. HIS voice," he wrote. "I am your appointed servant in this land and am available for you but I do not try to get in your presence often because I trust your instincts."

Drawing a parallel to another consequential presidential moment in history, Huckabee added, "No President in my lifetime has been in a position like yours. Not since Truman in 1945."

Huckabee made it clear that his role is not to advise the President on strategy, but to uplift and remind him of his divine calling. "I don't reach out to persuade you. Only to encourage you. I believe you will hear from heaven and that voice is far more important than mine or ANYONE else's."

Amid rising threats and escalating attacks, Huckabee closed his message with a powerful declaration of commitment. "You sent me to Israel to be your eyes, ears and voice and to make sure our flag flies above our embassy. My job is to be the last one to leave. I will not abandon this post. Our flag will NOT come down!"

Finally, in a statement that has since resonated deeply across social media, Huckabee affirmed: "You did not seek this moment. This moment sought YOU! It is my honor to serve you!"

Huckabee's words offer more than just encouragement, they echo the conviction that God is still raising up leaders for such a time as this. And for many watching history unfold in real

time, it is clear that America must continue to stand with Israel, and pray for those tasked with making the decisions that will shape the future of both nations.
