

This Small Suggestion Could Drastically Improve Your Spiritual Life

Don't let the devil use you to hurt, steal from or destroy God's people, because when you try and you don't succeed, all he will do is torment you.

There will never be loyalty among thieves. No matter what the enemy tells you, the people of God will always be covered by Yeshua's blood. Kingdom builders and warriors, this is why it is so important for us to remain in Him.

But just in case we skip out or fall short, the devil will always be defeated. Our Father will constantly fight for us. Remain on the winning team! You're not missing nothing on the outside. Drugs! Premarital sex! Getting drunk! Stealing! Lying! That isn't you! That's not how God created you. Let the dead bury their own. You can't change what doesn't want to be changed.

Get back in position. Trust me, I know. You are not missing anything but freedom. Once you step out there, you step into less than what God has for you. You give the enemy legal right to play with you. God made you stronger than that. You're more powerful than that. His plan is bigger and better. His plan is burden free and is in order. His plan is loving. Get back in place and remain in position.

Please be patient; I know you have been waiting. Trust and believe it's going to happen; it's already done! Your worrying about it is distracting you from seeing it. When it didn't happen, it distracted you. The way you thought it would happen and it didn't, is blocking you. Clear the path with your faith. Keep your eyes on God. He will bring it all to you when you surrender it completely. {eoa}
