

Tomi Arayomi: Rosh Hashanah 2024 Prophecy

What does God have to say about this year's Rosh Hashanah celebration?

In a new prophetic message, Tomi Arayomi shared what the Lord has been pouring into him regarding Rosh Hashanah, the upcoming U.S. election, China and much more.

"This is going to be an hour where people are going to say, 'we must treat Netanyahu like the war criminal that he is,'" says Arayomi. "And the Spirit of God says, 'There will be plans to audit him, plans to impeach him,' but the Lord says, 'in the midst of this I am calling for a people that will not believe the narratives of man nor the narratives of the news,' but the Lord says, 'I'm calling for a people who will hear and see what My Spirit is saying and doing over Israel and over Jerusalem and even over Palestine during this time.'"

Arayomi also says this will be a time when the revival will sweep through the Middle East with Muslims professing their faith in Christ. He further believes God is about to uncover hidden nuclear sites as well.

"Watch as I begin to uncover says the Lord, the hidden nuclear sites," Arayomi prophesies. "Watch as I begin to show you that this was further along than was ever imagined possible before."

However, there is a caveat with how or when the repercussions of the nuclear sites could affect the world.

"The Lord says, 'I will hold up a pause button against it depending on which way America chooses to go,'" Arayomi says. "America, you will hold the decision between whether or not we go to full World War III or we go through a more peaceful process."

Arayomi also warned of a coming invasion by China into Taiwan happening by 2025.

"God says, 'pray against an invasion of Taiwan by China by 2025. You'll hear rumors of it, you'll hear the murmurs of it, you will hear America is too distracted; now is our time to repatriate this place back to us, and the Spirit of God says, 'Pray...'" says Arayomi.

Arayomi says there is a spiritual component behind what is wanting to touch the nations in Asia.

"The Spirit of God says, 'it's not China; it's the dragon,'" Arayomi prophesies. "For the Lord says, 'I do not want the dragon to gain further ground than is necessary, so I am raising up an intercessory army that can hold back the spirit and the power of the enemy.'"

During this time of Rosh Hashanah, let's press into prayer for Israel, for America and for God's plans to prevail in all nations across the world.
