## **Anne Graham Lotz Asks for Prayer After Daughter Suffers 2 Heart Attacks**

Anne Graham Lotz, daughter of the late evangelist Billy Graham, has asked for prayers for her daughter Rachel-Ruth. In a Facebook post on Tuesday, Lotz explained her daughter was hastened to the hospital on Saturday after she suffered a heart attack.

“Multiple times I have prayed Psalm 73:26 for people who were struggling with heart issues: My flesh and my heart may fail, but God is the strength of my heart and my portion forever,” Lotz wrote.

## **The Biblical End-Times Prophecy Unfolding Right Before Your Eyes**

There is constant debate among believers in the church about whether or not we are living in the end times, as described by the Bible. Judging by what is happening in our world, Lion of Judah Ministries says, biblical end-times prophecy is indeed happening, whether many choose to see it as truth or not.

The falling away of the church from the truth of God’s Word and from their faithfulness to Him, the ministry says, is a sure sign that Jesus will be coming soon. Judging from what is happening within the church right now, and our country, it is confirmation of what the Bible teaches.

Second Thessalonians 2:3-4 says that before Christ comes, there must be a falling away and a great rebellion against God. It is apparent that is happening not only in secular society, but also within the church.

### **At 'The Renewal,' Kent Christmas Prophesies, 'This Is the Beginning of the Final Harvest'**

At "The Renewal" crusade in Plant City, Florida, last Saturday, Kent Christmas, founding co-pastor of Regeneration Nashville, released a prophetic word unto our nation that this year, 2022, will be the beginning of the final harvest for God.

Christmas says the pain that the wicked has inflicted on his people in past years come back on the evil who perpetrated it, and this movement of the Lord will shine forth His glory in all the earth.

Christmas prophesied the Lord said:

"God says I feel the pain of my people, the Lord said I never created you to suffer, but I created you to triumph. In the year 2021, I began to uncover the hearts of men, not only in this nation but around the world. I began to divide, says the Lord, who is on whose side. But this year, sayeth the Lord, is not a year of dividing but this is a year of conquering for the church for the Most High.

### **End-Times Expert Warns Bare Store Shelves Will Get Barer Soon**

It is happening again. In December, Joe Biden stood in front of the American people and boldly declared that he had defeated the supply chain crisis but of course that wasn't true. There have been persistent shortages for months on end, and now fear of Omicron is taking things to an entirely new level once again.

On Monday, the hashtag #BareShelvesBiden was trending on Twitter, and that is because shelves are alarmingly bare in supermarkets from coast to coast. We are being told that these shortages are only "temporary" but of course that was what we were told when nationwide shortages first began to pop up all the way back in early 2020.

Unfortunately, food industry experts are warning us that supplies are going to get even tighter in the weeks to come. For example, the following is what billionaire John Catsimatidis just told Fox News. {eo}
