

Top of the Week: Is America the Modern Nineveh?

Following are snippets of the top stories posted over the past week on . We encourage you to visit the links to read the stories in full.

Is America the Modern Nineveh?

America has greatly sinned against God through abortion, homosexuality, adultery, rampant pornography and fornication.

We have no fear of God, and America is rapidly becoming a pagan nation. Our only hope is to humble ourselves in fasting and prayer.

Nineveh was a great city. In fact, the Bible states that it was so vast it took three days just to tour it.

11 YWAM Missionaries Killed in Tragic Incident

In a heart-wrenching incident near Arusha, Tanzania, on Feb. 24, 11 missionaries from Youth With A Mission lost their lives in a traffic accident. The devastating multi-vehicle incident also claimed several other lives.

“It is morning time in Tanzania, and we are deeply saddened to confirm the passing of another three of our dear missionaries as a result of the tragic traffic accident. Eleven of our friends are now with Jesus. Two are still in critical condition in the hospital,” YWAM said in a Sunday morning statement.

“As a movement, we gather around all those impacted by this tragedy, their families and their communities. We are working to meet all the pressing practical, financial and emotional needs that arise,” the statement continues.

Signs and Warnings: The 2024 Solar Eclipse

Find Part 1 of this article at [this link](#).

There is much prophetic urgency in the upcoming total solar eclipse on April 8, 2024. It will complete an X over the United States with its predecessor in 2017.

This astronomical event has captured the attention of prophecy watchers, drawing parallels to past celestial occurrences and their subsequent earthly impacts. The intersection of these eclipses near Little Egypt, Illinois, near the historically significant New Madrid fault line, invokes a reflection on past devastations following similar signs, notably the catastrophic New Madrid earthquakes of the early 19th century.

One might find it interesting that April 8, the day of the eclipse, is the last day of Adar 2 before the month of Nisan when Passover is celebrated.

SBC Removes More Churches for Abuse Policies, Female Pastors

The Southern Baptist Convention's Executive Committee has removed more churches from its denomination.

As the Associated Press reported, one of the churches to be removed from the denomination is Immanuel Baptist Church located in Paducah, Kentucky. The church has been removed for having a female minister, Reverend Katie McKown.

Immanuel Baptist Church released a statement that was shared by WPSD Local 6, which read, "We share our affirmation and support of the decision to call Rev. Katie McKown to serve with and among us. We pray the SBC may be blessed with wisdom and discernment as it moves forward."

2024 Prophecies: What Do the Lion, Bear and Dragon Have in Common With Goliath?

In the midst of prophecies that have been spoken from different Christian commentators, apostles and prophets, it can be hard to discern what exactly we should listen to. But what if two separate words have a very similar connection and phrasing?

In a word given at the beginning of the year, Dutch Sheets said that this year would be the year of "The dragon, the bear and the lion." In his description, each of these animals were representative of a different nation, specifically Russia, China and Iran. This word was a warning that these nations would be watching America and Biden's leadership.

"They realize this opportunity may not last long and will try to make the most of it. A weakened America means strengthened evil," Sheets said.{eoa}
