Kim Clement's Two-Term Trump Prophecies Fulfilled

Kim Clement's accurate prophecies regarding Donald Trump as a two-term president have been fulfilled following the Nov. 5, 2024 election results.

Back in 2007, Clement prophesied about the rise of Donald Trump to the presidency, and even more, that he would be a two-term president. Now that Trump has won the 2024 election, this prophecy has been fulfilled.

"There will be a praying president, not a religious one. For I will fool the people, says the Lord. I will fool the people, yes I will," Clement prophesied. "God says, the one that is chosen shall go in and they shall say, 'He has hot blood.' For the Spirit of God says, 'Yes, he may have hot blood, but he will bring the walls of protection on this country in a greater way, and the economy of this country shall change rapidly,' says the Lord of hosts."
