3 Signs the Spirit of Python Is Squeezing the Life From You

As a deliverance minister who preaches at churches around the globe, Vlad Savchuk says he has seen skyrocketing stress levels, especially in American culture. It is causing people, including millions of believers, to be engulfed by a demonic spirit sent by the enemy.

That, he says, is never what God wants for their lives.

God doesn't want us to live "marginless," or without breathing room. If you find that is happening to you, Savchuk says it's likely Satan has wrapped a spirit of python around you—one that is meant to squeeze the life out of you—especially if you are trying to serve God with your whole heart.

What Is the Purpose of 'Protection' Angels?

As a "seer in the spirit" from a very young age, Blake Healy says that, although he had the ability to do so, he didn't feel a natural compulsion to interact with angels.

As he grew older and got more involved in the ministry, Healy began engaging more and more with angels in the spirit realm. And, as he became more knowledgeable about them, some people began to pepper him with questions about "guardian" angels, who they are assigned to and what exactly they are tasked to do.

In his first book, "The Veil," Healy, the director of the Bethel Atlanta School of Supernatural Ministry, revealed the different kinds of angels he has seen over the years. Those include what he calls "protection" angels.

The Word of God clearly states that we are to seek the Lord with all our hearts—not half, not two-thirds, but with all our hearts.

"Blessed are they that keep His testimonies, and that seek Him with the whole my whole heart have I sought Thee: O let me not wander from Thy commandments," (Ps. 119:2, 10).
