Top Prophetic Voices Speak Into Trump's Stance on Gaza

Some of the top prophetic voices have spoken about the direct, biblical connections occurring right now as President Trump announced his plans for the U.S. to take over the Gaza Strip.

Pastor Mike Signorelli of V1 Church spoke on this issue during a livestream, pointing out how this echoes the wars and rumors of wars that we see spoken about in Scripture.

"The Bible's filled with warnings about wars, rumors of wars, battles over Israel and its surrounding territories," Signorelli says.

Trump and Netanyahu Reshape Gaza: Is Biblical Prophecy Unfolding?

This week, President Donald Trump and Israeli Prime Minister Benjamin Netanyahu sat down for a historic meeting that could reshape not only the Middle East but potentially usher in fulfillment of biblical prophecy. At the heart of their discussion? Gaza—its future, its people and who will control it.

Trump made it clear: "The U.S. will take over the Gaza Strip,

and we will do a good job with it, too. We'll own it and be responsible for dismantling all of the dangerous, unexplored bombs and other weapons on the site." That word—dismantling—stands out. It's the same word used throughout the Bible when Israel's righteous judges and kings tore down the high places dedicated to foreign gods. Could it be that Donald Trump is playing a role much bigger than just geopolitics? Could he be fulfilling a biblical mandate?

On Jan. 29, 2025, a tragic plane crash sent shockwaves across the nation, and prophetic voices are now urging believers to take notice. Could this devastating event be tied to a pattern of warnings from the Lord?

During a recent livestream, Amanda Grace highlighted eerie connections between the American Airlines and Black Hawk helicopter crash to previous prophetic warnings she received from the Lord. She also points to other biblical signs that show something sinister was likely at play during the night of the crash.

Grace's dream from 2021 involving American Airlines foreshadows what we just saw happen to this passenger plane.

At the beginning of the post announcing her condition, however, she referenced a recording of the 17th-century hymn "What God Ordains Is Always Good," posted by Phil Johnson, executive director of Grace to You and a close collaborator of Pastor John MacArthur.

The hymn, she said, "Prompts me to share some news I've been meaning to share for awhile.

Mom Imprisoned for Faith Is Now 'Praising God'

"I was praising God."

That's how Bevelyn Williams reacted when she learned she would be pardoned by President Donald Trump.

Williams, who was sentenced to 41 months in prison for an alleged violation of the Freedom of Access to Clinic Entrances Act (FACE Act), has gone viral in recent days after video footage showed her exiting prison and greeting her 2-year-old child and husband.
