Trump's First Cabinet Meeting Prayer: 'Thank You for Anointing Us'

During the Trump administration's first Cabinet meeting, something wholesome and righteous took place: prayer.

Before starting the meeting, the president asked for someone to say grace. Former megachurch pastor and now U.S. Housing and Urban Development (HUD) Secretary Scott Turner took the challenge, and prayed for the Lord's anointing and leading to be upon this new presidential administration.

"Father, we thank you for this awesome privilege to be in Your presence," Turner prays. "God thank You that You've allowed us to see. This day, the Bible says that Your mercies are new every morning. And Father God, we give You the glory and honor."

TD Jakes Releases Claim on Hospitalization

Bishop T.D. Jakes filed an affidavit against those who have accused him of sexual abuse, labeling them as "bullies" who wanted to tear down his reputation.

This is in response to Duane and Richard Youngblood's claims that Jakes tried to assault them years ago. As notes, Jakes claims it is this legal battle that landed him in the hospital.

"All of this was happening while I found myself helping my wife recover from knee replacement surgery and while helping my brother navigate kidney failure," the statement reads. "This unwarranted stress brought me to a place of having a health crisis on stage in front of my entire congregation. As a guy who'd had no previous health challenges, this near-death experience was a turning point for me. Enough is enough!"

The Next Jesus Movement? Prophetic Voices Speak on Revival and Anointing

In a recent conversation between prophetic voice Joseph Z and Pastor Mike Signorelli of V1 Church, a recurring theme emerged—a season of revival, anointing and divine preparation.

Against the backdrop of a world in turmoil, both men spoke with conviction about an imminent Jesus movement and the urgency for believers to take their role seriously in what God is unfolding.

Signorelli, known for his powerful deliverance ministry, shared that his recent experiences with prophecy have been strikingly immediate. While speaking at an event in Manhattan, he declared that a major figure would turn to Christ, even as a biblical scholar was being invited to appear on Joe Rogan's podcast to advocate for Christianity.

Rise of Barron Trump: Has the Prophetic Moment of Revival Arrived?

In a world increasingly dominated by judgment, cancel culture and division, one young man's quiet yet profound moment in a university classroom has captured the hearts and minds of millions.

In a viral video that has garnered over 1.2 million views, Barron Trump, the youngest son of President Donald Trump, did something remarkable. While sitting in class, he listened as a professor launched into a sharp critique of his mother, Melania Trump. But instead of reacting with anger or engaging in a heated debate, Barron simply and powerfully responded with wisdom beyond his years.

"You talk about my mother as if she's just an image, a caricature of what society wants her to be," Barron said, his voice calm but firm. "But have you ever stopped to consider the humanity behind the headlines?"
