When Ice Spice Brought Satan to the Super Bowl

During the Super Bowl, God was given lots of glory throughout the night, except by one particular person: Ice Spice.

The rapper joined Taylor Swift, who was there supporting her boyfriend, Travis Kelce. But not everything was as innocent as it seems.

In a video posted on X, Ice Spice can be seen making hand gestures at the game which are based on demonic, satanic symbols. Not only did she make these hand gestures, but she wore the upside down cross, which is know as a satanic, anti-Christian symbol. In the clip she can be seen holding onto the piece of jewelry after making these hand signals.
