"On Sunday night, my son and his wife were dropping off our precious granddaughter to spend a week with us. And we were saying goodbye out there on the driveway and as they were leaving, my wife looked up and said, 'What is that?'" Jeff said.

Jeff said that as he and his family looked up in the sky, they saw a magnificent object that appeared to be flashing different colors in the sky.

"I looked up and we all saw this white, brilliant object that was flashing," Jeff said.

Jeff said there were no strobe lights or commercial or federal aircrafts around. What they saw was unique and distinctive from either of those things.

"It started immediately zooming down toward us, from about 10,000 to I'd say about 7,000 feet, and that's when I said, 'In the name of Jesus Christ by the power of His name, stop.' And it immediately stopped," Jeff said.

Jeff claimed that he further told the UFO to stay in place by the name of Jesus until he went and got his phone to record it. He said that once he got his phone to record, he told the entity that it could then move again, to which it did so. The footage shows white, red and green blinking lights moving through the sky.

The Nephilim are real, fallen angels are real and the demonic will do whatever it can to try to frighten us. However, there is one name—the name above every other name—that is much greater. Jesus is greater than all other powers because He is the Alpha and the Omega, the Beginning and the End.
