

Underground Reality: Vietnam

 Voice of the Martyrs | \$195

Voice of the Martyrs offers *Underground Reality: Vietnam*, a nine-week DVD Bible study for teens. This series follows the journey of eight ordinary teens from America and Australia as they smuggle Bibles to the underground church in Vietnam. While they face struggles and are harassed and intimidated, the teens also meet people who are regularly persecuted yet are full of joy, forgiveness and faith.

This curriculum is appropriate for youth groups, Sunday schools or Christian schools. Teens will be challenged yet encouraged to step out of their comfort zones and embrace an adventure with God. This series shows courageous faith in action and asks the question: How far are you willing to go for your faith?

Each kit includes the nine video segments on three DVDs; a leader's guide; 10 student manuals; and a resource CD-ROM that provides creative materials such as activities, sound effects and even recipes for Vietnamese treats. The kit also features the "Look to Love" music video from SonicFlood, who host each weekly video session.
