✖ Andrea Boeshaar | *Realms*

The McCabe Family series continues with this sequel to *Unwilling Warrior*.

Sarah McCabe is happy with her new life as a governess in Milwaukee and

is determined to have a life of luxury, culture and social privileges.

When she meets the kindhearted Richard Navis—whose one flaw is that he

dreams of owning a farm—her resolve waivers a bit. Still, she's sure

that a farmer can't provide for her privileged lifestyle.

Sarah knows

the life she wants, but is she willing to trade her desires for God's

plans?
