

Unexplainable

📖 By Don Cousins | David C. Cook | softcover | 256 pages | \$

Don Cousins, a former associate pastor and a founding leader of Willow Creek Community Church, addresses topics such as life purpose, inner peace and contentment in *Unexplainable: Pursuing a Life Only God Can Make Possible*.

The author offers examples from throughout Scripture of how God used everyday people to fulfill His calling—and that the way He called them to live was unexplainable apart from Him.

Cousins explores such accounts as the miracle of the birth of Isaac and the story of one of the greatest leaders of all time, the apostle Paul, who was able to experience peace even while he was chained and imprisoned.

Christians are encouraged to take hold of God's truths and promises, and experience life in a way that seems impossible to some but is a reality to those who long for a deeper Christian experience. *Unexplainable* offers a fresh perspective on stepping out in faith and living an "unexplainable" life. This book is a great tool for group or individual study.
