

Usher in the Lord's Glory With These Prayer-Filled Steps

If we want to see God's supernatural glory manifested in our midst, we must listen, obey and do the Word of God. If we want to experience the glory of God in this generation, we must do our part.

If we will keep His Word, there is no limit to what He will do for us. But we must do things God's way, not our way. We can't live in sin and claim the promises of God. It won't work!

God is always there for us. He always wants to deliver us. He will never allow us to be devoured by our circumstances if we will obey His Word. God wants to reveal His glory in our midst. The Lord is ready to pour out His anointing on people who trust Him and will work His Word in every situation. It is important for us to remember that God will always help us and that faith is the key to receiving His help. God is always there for us. He always wants to deliver us. He will never allow us to be consumed by our circumstances if we will obey His Word. He is not willing that any should perish (2 Pet. 3:9). It is the will of God that we succeed in every area of life.

There is no temptation or bad situation going on in our lives that God does not know about. He always makes a way of escape for us (1 Cor. 10:13). But if we do not obey God, we limit a God that is limitless. When we obey God, we will release all of heaven and experience victories in our lives and His manifested glory.
