

VeggieTales Creator Releases New Bestselling Bible for Toddlers

FaithWords, a division of Hachette Book Group, and Minno Kids are pleased to announce their latest addition to the already-popular collection of kids' books by VeggieTales® creator and celebrated author Phil Vischer—the *Laugh and Learn Bible for Little Ones*. This new board book edition builds on the successful launch of the *Laugh and Learn Bible for Kids*, first released in September 2019, which became a No. 1 bestselling book in Amazon's "Children's Christian Bible Stories" category.

"The Bible makes life make sense, and I've spent most of my life helping kids make sense of the Bible through creative media, culminating last year with the launch of my new *Laugh and Learn Bible for Kids*. The response to this fun-filled walk through God's Word has been so fantastic, that now we're back with a new board book version for our littlest friends. And just in time for Easter baskets," said Vischer, author of the *Laugh and Learn Bible* books.

The *Laugh and Learn Bible for Little Ones*, written by VeggieTales® creator Vischer, includes 15 beautifully illustrated, whimsically written Bible stories that will introduce little learners to God's great story.

This simple board book Bible is the perfect companion to the *Laugh and Learn Bible for Kids* or a delightful stand-alone tool that will introduce toddlers and preschoolers to beloved, one-minute, gospel-focused Bible stories.

The *Laugh and Learn Bible for Little Ones* has a "Family Connection" at the end of the book with parenting tips, questions that can apply to all of the 15 stories, a memory
