

Volcanoes, Ice Age and Noah's Flood

When you think of volcanoes, you probably think of molten lava. David Rives challenges you to think of the ice age instead.

But why?

And what does this mean for Noah's flood? Watch now.

*The Creator left a pattern of His fingerprints across each corner of the universe, a pattern that **David Rives** has devoted his life to researching, revealing and sharing, while declaring the glory of God.
