

Want to Lead Like Jesus? Take These Practical Faith Steps Into Consideration

After a restful sabbath month, the *Coach & Joe* team is back at it again with a brand-new leadership podcast specifically for those who already are—or want to become—powerful leaders just like Jesus!

Last week Chad Norris sat down with one of our favorite and hilarious guests Blake Berg to talk about the natural progression that leaders must go through to become effective and healthy in their ministry.

You can find this episode packed with wisdom on both YouTube and the Charisma Podcast Network. {[eo](#)}
