

Was the DNC the Great Deception?

Terrorism seeps into the United States with each passing day, yet in the “crazy antics” of the recent Democratic National Convention, no one seems to care, Zach Drew says.

The *Revelation in the News* host addressed the frightening topic on his most recent episode with fellow co-hosts Sasha Volz and Taylor Schlobohm.

“Nobody is talking about terrorism,” Volz says. “Nobody is talking about the people that are dying across our world right now.”

Rather, the event was a celebrity-filled party that appeared to ignore “important issues.”
