

WATCH: Does Same-Sex Marriage Collide With the Mark of the Beast?

Rick Joyner has been a strong voice for marriage in America—and a strong prophetic voice in the nation for decades.

So what does he see regarding the potential onslaught of same-sex marriage in America? He's giving us something to think about in his latest episode of Prophetic Perspectives.

In this video, Joyner reveals a parallel between the same-sex marriage decision that our Supreme Court is facing and the "mark of the beast" found in Scripture. He also talks about how boycott is a powerful weapon and shares parts of a vision he wrote about in the book, *The Harvest*."
