

WATCH: This Garth Brooks Video Will Bring You to Tears

Garth Brooks took to the “Good Morning America” stage this week to sing a track from his new album, “Man Against Machine.”

“It should’ve been written 50 years ago,” Brooks told GMA anchor Robin Roberts about the tribute to moms. “It’s a conversation between God and this unborn child about ready to go down to Earth, and when God describes what a mom is, whew, it kills me.”

In the song, this is how Brooks said God describes moms:

“You’ll never have a better friend
Or a warmer touch to tuck you in
She’ll kiss your bruises your bumps and scrapes
And anytime you hurt
Her heart’s gonna break

So hush now little baby, don’t you cry
‘Cause there’s someone down there waiting whose only goal in life
Is making sure you’re always gonna be alright
A loving angel tender tough and strong
It’s almost time to go and meet your mom.”
