

WATCH: God Miraculously Delivers Woman From Rare 'Suicide Disease'

"Out of nowhere, I had like this lightning bolt of piercing, burning pain. It was the most excruciating pain I'd ever felt in my life."

And so begins the testimony of Chris, a woman who suffered a rare disease that's so painful, most people eventually kill themselves.

When a local pastor hosted a woman with the gift of healing, Chris' husband encouraged her to go up for prayer.

What happened next seems straight out of the Bible. Check it out.
